221.0 W × 185.4 D × 246.4 H mm
\$453

Daniel Castillo is a New York-based industrial designer and a graduate of the Rhode Island School of Design. He designs for use, and works with industry to explore typologies. A consistent part of his process is his photographic research. Castillo photographs his surroundings with a focus on use, forms, and connections. The final products are characterized by the research and refined through drawings and prototypes.
