Poplar, Brass, Steel hardware  
7.5 W × 7.0 D × 7.5 H in.  
190.5 W × 177.8 D × 190.5 H mm

\$350

Ryan Belli is a Los Angeles-based designer, originally from upstate New York. Before starting his own collection, he worked with The Haas Brothers doing special projects, which opened the door to a vast world of materials and techniques. He continues this practice in his own work, pushing traditional materials into surreal realms. If the Flintstones got together with the Jetsons and exchanged design principles, one might find his work somewhere in the middle.
