160 W × 160 D × 300 H mm
\$200

'Spin' Holder

Zaven is a Venice-based design studio founded in 2006 by Enrica Cavarzan and Marco Zavagno. They operate at the crossroads of product design, graphic design, interior design, and art direction. For Zaven, design is an analytical process: each project is driven by extensive research taking form in the final product. Whether it is an object of everyday use or a visual communication project, Zaven always aims for formal clarity.
